This new monograph features the most extraordinary projects yet in http://www.ddg-usa.com/Projects/Project-Services/Project.html Design Development Group's (DDG) vast portfolio, which includes exciting new retail and entertainment concepts; first-class hotel, leisure, and resort facilities; unique office and residential designs; town/leisure centres and large mixed-use destinations offering a wide range of elements and activities. Based in Baltimore, Maryland, and with design specialists fluent in more than 25 languages, DDG offers multi-disciplinary professional services to create themed environments, entertainment/retail, regional planning, waterfront development, urban and suburban revitalisation, speciality centre development, and creative concept generation for land use and project feasibility for a host of prestigious domestic and international clients.

This beautifully illustrated volume celebrates DDG's novel ability to integrate multiple disciplines, which has found dramatic expression in acclaimed hubs of activity everywhere – truly memorable places where ideas and commerce, dreams and lifestyles converge in new and sensational ways.

With a strong history of providing superior expertise in many successful commercial endeavours - notably CocoWalk in Miami, the award-winning themed movie destinations of Muvico Theaters and the ICSC award-winning Easton Town Center near Columbus, Ohio - DDG's successful track record is reinforced time and again with numerous awards received for designs that work in the real world. DDG formulates the highest and best use for any given property, utilising their strongest asset: creative design.
