- A history of black and white in fashion, design, architecture and interiors
- Daring, dramatic, and full of inspirational ideas and icons including Coco Chanel, Catherine Memmi, Christian Liaigre, Mies van der Rohe, Frederic Mechiche, Anouska Hempel, Giorgio Armani

The colours black and white have for centuries represented inimitable luxury and unparalleled glamour. Think of tuxedos and little black dresses, or beautifully styled interiors featuring a mix of high white period ceilings and black, mid-century modern furniture. Designers have known about the power of this impeccable pairing for years. *Design in Black & White* features the cool beauty and crisp, graphic edge of these two tones, and celebrates the design world's most popular but understated shades. **By the same author:** *Paris Secrets* ISBN 9781864703085 **£35.00** *Dream Hotels USA and the Bahamas* ISBN 9781864703207 **£35.00**
