- Offers an in-depth look at minimalism, a design trend with increasing influence worldwide

Because of its elegant simplicity, minimalism is becoming ever more popular in interior design all over the globe.

Minimalist Living Spaces brings together 48 examples of minimalist homes, exhibiting the sheer variety in minimalism despite using such a limited colour palette. Not only does this book prove that less is more, **Minimalist Living Spaces** shows how to make 'less' a captivating reality. Readers can learn more about this design field through the cases presented in this book. At the same time, this book will provide an excellent reference for designers, teachers and students in related industries. Contents: Experiencing the Purity of Space; Case studies; Index.

Alex Liu is the founder and principal designer of Right Angle Studio, an interior design office based in Singapore. Prior to establishing his own practice, he spent several years in the industry working on bespoke, modern luxury spaces for various high-end residential and commercial clients. Originally trained as an architect, Alex has primarily focused his style on modern minimalism, reflecting a high level of attention to detail. The studio's work has also been featured in multiple publications such as Minimalissimo and Design Milk.
