- Dean Herald has achieved the pinnacle of the landscape design industry: a gold medal at the prestigious Royal Horticultural Society Chelsea Flower Show in London
- Between 2003 and 2011 Dean Herald and his highly skilled team have built seven show gardens and been awarded a gold medal on each occasion, together with three design excellence awards at the Melbourne International Flower and Garden Show
- Herald has been awarded Australian Landscaper of the year

This beautifully illustrated book takes the reader on a journey through a number of outstanding gardens that have been landscaped by one of Australia's leading landscape designers, Dean Herald of Rolling Stone Landscapes. **21st Century Residential Landscape Design** showcases over 20 designs produced by Dean, who specializes in integrating garden design with the living space of the modern home and includes projects for the mediterranean and for cold climate. The modern residential landscape has changed so dramatically over the last 20 years with the indoor-outdoor concept becoming a living space of the family home. Mixed with entertaining areas for alfresco cooking/dining and the added excitement of a swimming pool design, you have a relaxing atmosphere and a private retreat in your own backyard - this is **21st Century Residential Landscape Design**.

Dean Herald has won multiple awards for his landscape architecture, including a gold medal at the prestigious Chelsea Flower Show and Australian Residential Landscaper of the Year. His work has appeared in various publications and television programs.
