The lure of a home by the ocean resonates with us all, bringing to mind the beauty and changing moods of the water, the intoxicating salty scent and the sound of waves against the shore. But what makes a beach house, and how does the idea of a home by the coast differ across the world? This stunning edition showcases a global snapshot of beautifully designed coastal homes, with a diverse mix of types, from Hamptons style to more minimalist residences, reflecting the different landscapes and locations. Lavishly illustrated with full-color images of award-winning architecture combined with spectacular views, this curated list brings together the most recent designs from highly regarded architects to produce the best examples of contemporary beach house residential design. This book is a captivating glimpse into the irresistible world of modern and stylish contemporary living in homes that take full advantage of their beachside settings.
