Manuelle Gautrand Architecture is a Parisian-based architecture firm founded by Manuelle Gautrand in 1991, sited in the Bastille neighborhood of this exquisite European city. The firm's key aim is to 're-enchant the city' of Paris by evoking emotion, reinventing spaces, and garnering renewal and innovation – to be bold and definitive. At the core of Gautrand's creativity lies the approach to each new project through the spirit of a blank canvas, with no à priori. Yet, each of the project that this firm produces expresses a specific relationship to the site: a desire to revive it and enchant; a deep commitment to working on programs entrusted to the firm; ensure efficiency, flexibility and surprise. Each project is a unique and symbolic encounter. Fuelled by shared ideas and prominent for its breadth of practice, this book documents the comprehensive collection of Manuelle Gautrand Architecture's design solutions. It celebrates the intuitive and stunning designs, and the firm's commitment to beauty, revival, boldness and precision.

Born in 1961 in Marseille, **Manuelle Gautrand** is the principal architect and director of Manuelle Gautrand Architecture, alongside Marc Blaising as the partner, financial and administrative director. Having founded her firm in 1991, she has lived and practised as an architect in Paris for over 20 years. With a team of over 15 architects, her firm's poetic architecture embraces the endless variety of forms and colours, with a design focus as diverse as cultural facilities (theaters, museums and cultural centers), office buildings, housing, commercial and leisure facilities. Her clients are public contracting authorities as well as private firms in France and abroad. In 2007, she received the distinction of France's Chevalier de la Légion d Honneur (National Order of the Legion of Honour) and more recently was nominated as ARVHA's 2014 Woman Architect of the Year.
